Established in the year 2017, Cystron Pharma is into Manufacturing and CRAMS of Ready-to fill Pharmaceutical Semi Finished Formulations. With a separate R&D, Pilot-scale and Production areas, Cystron is one of the largest Pharmaceutical Pellets Manufacturers in INDIA.

PRODUCT RANGE - COMMERCIAL

S. NO.	Product Name	Release Type
01	Alpha Lipoic acid Pellets/ Granules	Immediate Release (IR)
02	Atorvastatin Pellets	Immediate Release (IR)
03	Clopidogrel Pellets	Immediate Release (IR)
04	Dexlansoprazole Pellets	Dual Delayed Release (DDR) / EC
05	Domperidone Pellets	Immediate Release (IR) & Sustained Release (SR)
06	Duloxetine Pellets	Delayed Release
07	Esomeprazole Pellets/MUPS	Enteric Coated (EC) / Delayed Release (DR)
08	Itraconazole Pellets	Immediate release (IR)
09	Lansoprazole Pellets / MUPS	Enteric Coated (EC)
10	Mebeverine Pellets	Sustained Release (SR)
11	Metoprolol Succinate Pellets / MUPS	Sustained Release (SR)
12	Nifedipine Pellets	Extended Release (ER)
13	Omeprazole Pellets / MUPS	Enteric Coated (EC)
14	Orlistat Pellets	Immediate Release (IR)
15	Pancreatin Pellets/Granules	Enteric Coated (EC)
16	Pantoprazole Pellets / MUPS	Enteric Coated (EC)
17	Rabeprazole Sodium Pellets / MUPS	Enteric Coated (EC)
18	Rosuvastatin Pellets	Immediate Release (IR)
19	Tamsulosin HCl Pellets	Sustained Release (SR)
20	Venlafaxine HCl SR Pellets	Sustained Release (SR)

Plant Infrastructure

- Class 1,00,000 HVAC Systems
- Wurster fluid bed coaters
- Purified water system with SS 316L Piping
- Oil and Moisture free compressed Air supply
- Separate Modules for different products
- 250 KV Generator as backup power
- 24/7 UPS & Generator backup to Lab
- SS 316 Equipments as per GMP Norms
- Manufacturing Capacity up to 40 MT / Month
- Eco friendly plant with a buildup of 25,000 Sq.Ft

- Cold Room Storage Facility For Raw Material
- Fully Functional QC lab with Waters HPLC systems
- Stability Chambers with Zone IVb & stand by Conditions

PRODUCT RANGE – R&D

S.NO.	Product Name	Release Type
01	Aprepitant Pellets	Immediate Release (IR)
02	Dabigatran Pellets	Immediate Release (IR)
03	Dimethyl Fumarate Pellets	Enteric Coated (EC)
04	Doxycycline Pellets	Immediate Release (IR)
05	Mesalamine Pellets	Sustained Release (SR)
06	Nitrofurantoin Pellets	Sustained Release (SR)
07	Tacrolimus Pellets	Immediate Release (IR)
08	Tolterodine Tartrate Pellets	Extended Release (ER)
09	Azithromycin Granules	Immediate Release (IR)
10	Dutasteride Pellets	Immediate Release (IR)
